

2014 Oregon Drug Enforcement Summit
610 Hawthorne Ave. SE
Salem, OR 97301

February 12, 2014

Dear Colleague,

We are inviting you to attend the Oregon Drug Enforcement Summit and participate with us in a candid, high level discussion about the future of drug enforcement in Oregon.

At a time when law enforcement agencies are being confronted by decreasing resources, increasing demand for services and an extremely fluid drug policy environment, it is more important than ever for federal, state, local and tribal law enforcement officials to work together to carry out our missions.

As the first step in an ongoing effort to facilitate and enhance our collaborative drug enforcement efforts, an Oregon Drug Enforcement Summit has been scheduled for March 4, 2014. The goal of the Summit is to engage executive level leaders in an effort to explore and develop a state-wide strategy that cohesively ties federal, state, local and tribal drug enforcement groups together to most effectively confront the growing drug trafficking threat in Oregon. An agenda is attached.

The summit will be held at the Oregon Department of Public Safety Standards and Training Academy located at 4190 Aumsville Hwy, Salem, OR 97317. The summit will run from 9:00 AM until 5:00 PM, with lunch provided.

We know your time is valuable and scarce, but we look forward to having you join us to share our common concerns, ideas and strategies in moving forward.

To register, please contact Debbie Giza at 503-934-2027 or at debra.giza@state.or.us no later than February 28, 2014. If you have questions or need further information, please contact Oregon HIDTA Director Chris Gibson at 503-934-2020 or via email at chris.r.gibson@state.or.us
